Benefits & Features

- We are listed on all major search engines and will appear above most of our competitors, but don't take our word for it, have a look for your self.
- Keep track of the number of times your properties are viewed.
- The low cost and professional feel make it a very effective way of advertising.
- Save time and money by creating your own Ads in the time it takes to send off an email.
- Preview your properties including images as you create them.
- Edit/Update/Delete your properties at any time, day or night.
- Our administration panel combines the latest technologies with an easy to use interface.
- Fully featured property displays to accommodate for all your needs.
- Up-load up to 12 images, accepted formats includes JPEG, PNG, JPG & GIF.
- Ability to include Auction dates and open for inspection times if required.
- Print off brochures for individual properties.
- Create reports for all your properties listed. Property lists, rental lists, sales lists etc.
- Ability to include virtual tours, floor plans on-line.
- Automatically re-size and optimise all images if required during upload.
- Unique AD ID with each property placed.
- Ability to display which of your properties is SOLD.
- E-mail direct links for a specific property.
- We accept images ranging in size from less than 20K right up to 2000K.
- Easy to use administration page where you can update your Ads at any time.
-

Web Design & Hosting

- All properties listed will appear on your own personal website which will be designed to suit your needs. We have a variety of styles that you can select from to suit your business. This is provided out no extra charge.
- Website hosting is also provided FREE to our members.
- If you need a domain name registered we can also do this for you, once again it will not cost you anything extra.
- If you already have a website and you don't want it changed, we can just link all you're properties to it.
